Leddy Group Recognized by Governor Lynch for 25 Years of Service

DOVER, NH —Leddy Group, a Dover-based staffing firm, which specializes in administrative, accounting and light industrial staffing, as well as business consulting services, recently received a citation from Governor John Lynch honoring the firm's 25th anniversary and their dedication to the communities they serve.

"We're proud to be celebrating our anniversary and we're confident that our longevity is a result of our client service, account teams and our unwavering commitment to our customers," said Mary Leddy, principal owner of Leddy Group. "To be publicly recognized by Gov. Lynch is a tremendous honor and a testament to our great work over the years."

Growth and expansion is nothing new to Leddy Group. In 1982, Joe Leddy founded Work Opportunities Unlimited, an employment services company with hundreds of employer partners, as well as adult and student programs, across New England, Florida and Maryland. Leddy Group, which is now an affiliate of the earlier organization, was founded 11 years later with an emphasis on fulfilling quality staffing needs for a wide range of industries. The organization has been named "One of the top 100 private companies in New Hampshire" by *NH magazine* several years in a row.

According to the American Staffing Association, 90 to 95 percent of large employers rely on staffing agencies like Leddy Group.

Leddy Group, with offices in New Hampshire, Vermont and Maine, works with more than 300 clients. For information about Leddy Group, visit www.LeddyGroup.com or call (603) 749-4810.
