Leddy Group Adds Human Services Discipline
Staffing Service Places Qualified Candidates in a Variety of Jobs

Dover, NH — Leddy Group, a staffing firm, which specializes in administrative, accounting, light industrial staffing and business consulting services, recently added a human services discipline to their Dover, New Hampshire's roster of services, providing more robust offerings to employers and job-seekers in the area.

Leddy Group will now be recruiting for – and placing – candidates in a variety of human services positions, including direct care services, residential staff, accounting, administrative and more.

"We're constantly watching the marketplace to determine where there's a need for our services," said Jim Hart, regional vice president in Leddy Group's Dover office. "We understand that there are a tremendous number of human service agencies, non-profits and similar companies in our area with a significant number of jobs to fill. We reached out to offer our staffing services and these groups were very interested in collaborating with us."

Hart, who has 10 years' experience in the human services staffing industry, is excited about Leddy Group's plans to expand these offerings in both Southern New Hampshire and the Greater Portland area.

"We're recognized in the community for our prompt response, extensive screening process and superior service, building solid work relationships between human service professionals and businesses," Hart added. "We're focusing on both long term and short term placements, and are able to match qualified professionals with appropriate job openings."

The dedicated Leddy Group team carefully screens all candidates, checking their experience, references, availability and backgrounds. They excel at matching qualified job seekers with employers looking for new team members. Leddy Group is a valuable resource for companies that don't want to undergo the costly, time-consuming process of conducting employee recruitment in-house.

Leddy Group, with offices in New Hampshire, Vermont and Maine, is a 26-year-old company with more than 300 clients. The firm is affiliated with Work Opportunities Unlimited, an employment services company with hundreds of employer partners across New England, Florida and Maryland. It's been named "One of the top 100 private companies in New Hampshire" by *NH Magazine* several years in a row.

For information about Leddy Group, visit www.LeddyGroup.com or call (603) 749-4810.
